

GUIDE PRICE LIST 2017

Thank you so much for your interest in Emerald & Jade Flowers. Please see below a sample guide price list for 2017. Kindly note that these are aimed to give you a rough estimate of what your flowers may cost, but of course this may vary depending on the flowers you choose, as well as what is available and in season at the time of your big day.

For a more detailed quote, please complete my client consultation [questionnaire online](#), and we can then arrange a free, face to face consultation over a cuppa. This will allow us to get a really good idea of what you're after, and what is available to you. I can then create a bespoke proposal for you, with all the relevant information to help you decide whether you would like to go ahead with Emerald & Jade Flowers.
